The objectives and purposes of the Pennsylvania Assoc of Arson Investigators:

- a. To unite for mutual benefit those public officials and private persons engaged in the control of arson and kindred crimes.
- b. To provide for exchange of technical information and developments.
- c. To cooperate with other law enforcement agencies and associations to further fire prevention and the suppression of crime.
- d. To encourage high professional standards of conduct among arson investigators and to continually strive to eliminate all factors which interfere with the administration of crime suppression.
- e. To provide for an ongoing educational program to create public awareness of the crime of arson and its effects, and to expand the membership areas of expertise in arson and arson suppression.
