

Michael R. Rugh

CANDIDATE FOR BOARD OF DIRECTORS

My name is Michael Rugh and I am seeking your vote for a position on the PAAI Board of Directors. I have been a member of the PAAI since 1996 and a member of the IAAI since 2003. I previously served on the PAAI Board of Directors and in 2013 served as the PAAI Annual Seminar Chairman. I served as a Pennsylvania State Police Deputy Fire Marshal from 1996 until 2014. I then worked as a Fire Investigator for Ryhal & Associates until December of 2017. I am currently employed by Unified Investigations, Inc. as a Fire Investigator. I am also employed by the Borough of Carlisle, PA as a part-time career firefighter / driver.

My training includes courses at the National Fire Academy, Pennsylvania State Fire Academy and many other disciplines. My full resume is available on the Unified website.

I am also a member of the Pennsylvania State Firemen's Association and the Central District Volunteer Firemen's Association where I serve as a County Vice President.

I hold Pennsylvania State Certifications as Firefighter II, Fire Investigator and Fire Instructor I. I am also currently certified as an IAAI-CFI.

I am hopeful that I can work with other members of the board to help sustain the Association and create an atmosphere which encourages members to be more involved. I would also like to explore new and exciting training opportunities which would benefit members of all disciplines.
